Dear Parents/Guardians

Re: Year 11 – Final revision tips and key messages

As time seems to fly by and we approach the key study and revision period for Year 11, I would like to invite you to a supportive evening for both you and your child. We will be holding a Year 11 Revision and Exam Preparation Evening in Studio 1 & 2 at **6.00pm on Monday 21 January (E Band students) and Tuesday 22 January (S Band students)**. One thing we know is that parents can find it difficult getting the balance right supporting their child in the run up to the exams – this is designed to help you with this.

The evening is an excellent opportunity for you as a family to gain valuable information about the following:

- Revision Techniques - key ways to revise for specific subjects;
- All student online log in codes needed for revision sites;
- Revision materials;
- Year 11 GCSE Public Exams;
- Key dates and times;

The evening will last no longer than one hour. At the end, senior staff will be on hand to answer any questions you may have about the exams ahead.

The evening is one that you should not miss – we have some excellent materials and tips to share with you.

I look forward to seeing you on either the 21 or 22 January.

Yours faithfully

Mr A King
Deputy Headteacher
