Dear Parents/Guardians

Re: Year 7 - New Timetable

I am writing to inform you that yesterday, Year 7 students received a new timetable, where some of their class groups will have changed. This now means that in some subjects, where students were in a class with their tutor group, they have been mixed with others. The new groups are mixed ability and are not ability "sets". This is something we do to provide the best learning experience for students.

We appreciate that a change like this for some students may cause some concerns or worries. If you feel this may be the case, please do let their form tutor know and seek their support in the first instance.

Yours faithfully

Mr A King
Deputy Headteacher
