Dear Parents/Guardians

Re: Childnet Online Safety Guidance Sheet

Thank you to everyone who came to the online safety evening on Monday, it was great to see so many familiar faces and so many new ones. Esher High School takes online safety and students' wellbeing very seriously and we endeavour to empower students with the right tools to make the right choices both inside and outside the learning environment.

For those who were unable to attend, I've attached a guidance sheet that gives information and online resources that offers support to parents and young people. Please also find a direct link to Childnet below:
