Dear Parents/Guardians

**Re: Formal Year 9 Examinations and End of Year Assessments**

Please be advised that the Year 9 Core subjects (English, Science and Maths) will be holding formal examinations in the school Sports Hall on Wednesday 26 June, Thursday 27 June and Friday 28 June. A copy of the examination timetable is attached, will be placed on our website and a copy will be shared with students. The examinations will test the students on aspects of the work covered since the start of Year 9. Students will be given advice about how to prepare via their subject teachers. It is important that students gradually build up their experience of taking examinations within a formal setting.

End of year assessments for all other subjects will occur in the weeks after the half term and up to Friday 5 July, but within lesson time, so that we can provide a report on your child's progress up to the end of the academic year.

Each department has been asked to provide details on what and how to revise before half term for the formal examinations and assessments. In addition, this will be posted via Show My Homework. Further advice will be given about how to approach and plan revision via assemblies and any resources added to the Exams section of our website. Advice will also appear for other subjects via Show My Homework over the coming weeks.

The examinations are very important and I ask you to ensure that your son/daughter uses the time between now and 26th June to revise thoroughly. Students will also be guided as to the arrangements and expectations for the formal examinations via assemblies after half term.

Please do not hesitate to contact us if you have any concerns.

Thank you for your continued support.

Yours faithfully

Miss Bosley  
Assistant Headteacher

Mr Brouder  
Head of Year 9
