Dear Parents/Guardians

Re: Physical Education Department

PE After School Club

PE Clubs will restart on Monday 21 September, but due to our current situation we have had to make a few changes to what we normally do, please read the following information to make sure you know how it affects your child:

- Clubs can only run in year group bubbles, pupils must only come the day they have been allocated.
- Pupils can wear the correct EHS PE kit to school on the day you have a club allocated if you don't have PE on your timetable.
- Pupils wearing incorrect PE kit will be turned away.
- We will be starting with a limited range of sports for both girls and boys: Netball, Football and Rugby, this may change as we progress over the weeks.
- Be prepared with additional kit for these clubs for example; boots, shin pads and long black socks for football, gum shields for rugby.

Any question please contact a member of the PE department. We are looking forward to seeing you all.

Day of club: Week 1 & 2	Year group

PE Kit

I am writing to you with regards to the EHS Physical Education kit requirements. We introduced the new PE kit in June 2019 and have allowed over a year for the purchasing of the new PE kit and are now following up on pupils who are wearing incorrect or incomplete kit.

Your child should now be wearing only items from the list below which are all supplied by the allocated EHS kit suppliers.

Pupils should not be wearing their own versions of the PE kit as detailed below, this includes other sports branded tracksuit bottoms, plain black shorts/leggings/tracksuit bottoms/sweatshirts/hoodies.

Please use the links below to take you to the supplier's websites directly to purchase the kit your child may not have currently.

If your child is in receipt of Pupil Premium or you are facing significant hardship, please contact me and will arrange for our Student Wellbeing Coordinators to support you.

Please do not hesitate to contact me with any further questions you may have regarding this.

Yours faithfully

Miss H Miles
Head of Physical Education

PE Dress Requirements- All Years

The **minimum expected kit** is the Summer PE kit list unless stated as optional.

Pupils will be **taught PE outside** during winter months, so it is worth considering the warmer layers from the winter kit, we also teach on the grass during the winter, so football boots are an option to save trainers from getting dirty and will allow pupils to be able to perform lessons safely.

If pupils are playing contact rugby in lessons, they will be required to wear gum shields as a safety expectation. Class teachers will inform pupils when this is required.

Pupils playing football or rugby for the school teams are expected to wear shin pads/gum shields and long black socks.

Please ensure all PE Kit items are clearly labelled with your child's name.
