24 September 2021

Dear Parents/Guardians

It has been wonderful seeing so many students leaving school at 4pm having taken the opportunity to attend one of our many After School Clubs. At the start of the academic year, I shared a slogan with the students of 'Belong. Be More. Be Esher.' The challenge I put to the students was to try a new club or activity that would push them outside of their comfort zone. It is great to hear of busy clubs after school and so many students living out our 'Be More' theme for the year.

You will have seen in my letter home last week that the term ahead remains as busy as ever. We have the Performing Arts BBQ tonight, a visit from the Archbishop tomorrow, a half day on 7 October to prepare for our Open Events, an INSET day (8 October) and the opportunity for students aged 12+ to receive a Covid vaccination. I do reiterate that this will be an optional vaccine and we will communicate with you once we know further details and you will be asked to consent to this.

To keep up to date with all the great work going on in the school, I encourage you to follow us on Instagram or Facebook. Thank you for all that you do to support our school community and I hope to see you at one of our school events in the near future.

Yours faithfully

Andy King
Head of School
