3 December 2021

Dear Parents/Guardians

Thank you for your support as we had to reintroduce masks in school this week. It was fortunate for us to have made the decision already to then be backed up by the DfE with the same message. Students have been very mature and cooperative in this measure coming back in – which we hope is up until Christmas.

Please could you encourage your child to wear a mask on arrival at school and throughout the day and on the school coaches.

We have been informed by the DfE that we will need to test all students on their return from the Christmas holidays. We are busy planning how this will happen, and I will write to you next week with more details.

### **Be More Day #1**

Next Friday (10 December) we have our first 'Be More Day'. Students will have a range of exciting activities, which will be different from their normal timetable. This is a chance for us to continue to build some of the wider, personal skills for students. It is also Christmas Jumper Day, so they will be in their own clothes, with a £1 donation to charity requested for this privilege. Keep an eye out on our social media for some of the fun activities that will be going on across the day.

Yours faithfully

Mr A King
