3 January 2022

Dear Parents/Guardians

Happy new year to you and your families. I hope you have had a lovely Christmas and New Year period.

You will have seen in the media, the requirement for students to wear masks when inside, including in classrooms. These are the same measures we had in place before Christmas, and we will continue with these as has been directed today. Students should also wear face coverings when travelling to school on either a public bus or coach. We will continue to keep ventilation, cleaning and hygiene procedures a priority across the school to help minimise the risks of Covid 19 spreading.

As a reminder, students will return on different days this week based on their year group to allow for on site covid testing. Online lessons will be taking place for the year groups who will be at home waiting for their first day. These will start in line with the timing of the normal school lessons and be for 45 minutes.

A reminder of the start days:

- Tuesday 4th - Yr 11 and Yr 7
- Wednesday 5th - Yr 10 and Yr 8
- Thursday 6th - Yr 9

If you have not yet given consent for your child to be tested at school, you are able to using [this link](#). This needs to be completed even if you have previously given consent for your child to be Covid tested.

We look forward to welcoming all students back to school and will be in touch if there are any changes to the directions given from the Department for Education which will next be reviewed on 26 January 2022.

Your sincerely

Mr Andy King
Head of School
