11 February 2022

Dear Parents/Guardians

Year 11 Parents may have seen this week in the news the announcement of 'Advanced Information' for the GCSE exams for Year 11 this year. This is to give guidance on what will be in these exams. Advance information might look different for different subjects because of how they are structured and assessed.

Our Heads of Department and Exams Team are busy pulling together all this information to be accessible for you and students in one document. Once complete, we will send this home to all Year 11 families. Year 11 will sit their final set of Pre-Public Exams (PPEs, formerly known as mock exams) on our return from the holidays.

Thankfully, we have seen a reduction in Covid numbers this week. This will mean facemasks will go back to being optional for students and staff after the half term holiday. We have been impacted far greater this term with staff off with Covid than any other time. Thank you for your patience with this, as there has been a higher number of cover lessons than we normally have.

A reminder to you all, we have a staff INSET day on Monday 21 February, so the students will start back on Tuesday 22 February. I hope you all have a restful half term break and we look forward to welcoming our students back after the holiday.

Yours sincerely

Mr A King
Head of School
