4 March 2022

Dear Parents/Guardians

It is a challenging time for Ukrainians and those with family in Ukraine. If you have been affected by this and would like your child to access extra pastoral support, please contact your child's Head of Year and they will organise this.

We have had tutor time lessons this week which have looked at the invasion of Ukraine and have done this sensitively yet knowing the importance of sharing correct information. As a school, we will be working with local and international charities over coming weeks to provide resources or goods we are able to donate and collect. Keep an eye out for details of this coming next week.

Well done to all Year 11 students over the past 2 weeks. They have completed a set of practice exams in preparation for the summer. Keep asking your children what feedback they have received following these and what are the areas they need to improve on for their summer exams. Then the challenge – get them to revise and work hard on these areas!!

Yours faithfully

Mr A King
