AFTER THE EXAMINATIONS

Notification of Results

Electronic results will be published automatically at 8:00am on Thursday 20th August on EduLink One and emailed to you to your Esher High Email address. **The results will only be viewable via a student login.**

An envelope containing a paper copy of the Statement of Results will be available in school to collect on the day from **10:00am - 12 midday**.

Staff will be available in school from **10:00am – 12 midday** to deal with any specific exam / careers related guidance you may require. All students and parents are welcome to join in the celebrations in the quad and the Hub.

Please note the school will be shut from midday on Thursday 20th August until Thursday 3rd September

What happens if a student is unable to attend school on Thursday 20 August between 10:00am – 12 midday?

- Uncollected envelopes will be available for collection from the main reception from Friday 4th September onwards, only during school hours (8:30am - 4pm). If an envelope is not collected by Friday 16 October, it will be securely disposed of.

Can a student nominate another person to collect their statement of results on their behalf?

- If students would like their results to be collected by another nominated person (i.e. not the student) either on the 20th August or from Friday 4th September onwards, the student should send an email to Ms Turner (jturner@esherhigh.surrey.sch.uk) from their school email address. This request **MUST** be received by 31st July. The request may not be processed if received after this date. When a pre-arranged nominated person collects a student's statement of results, they should bring photo identification with them (e.g., a driver's license or passport).

Who should I contact if I have questions about the Post Results Services?

- Submit this Microsoft form and your query will be sent to the appropriate contact at the school: [Esher High School - Post Results Query - Fill in form](#)

Results will not be given out by telephone unless by special prior agreement with the Assistant Headteacher (Ms Turner).

STATEMENT OF RESULTS (Example)

On results day you will receive a 'Statement of Results'. **THIS IS NOT YOUR FINAL CERTIFICATE.** The statement lists ALL the qualifications, a breakdown of the marks and the total marks for each subject. Please note **the bold line is final qualification grade.**

POST RESULTS SERVICES

Review of Results

The Head of Department (HOD) will analyse your result and marks and make recommendations as to whether they consider you should access Post Results Services (PRS). If you do wish to proceed with a Review of Results, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be **lower** than the original grade you received;
- = Your original mark is confirmed as correct, so there is **no change** to your grade;
- Your original mark is raised, so your final grade may be **higher** than the original grade you received.

If, after considering all factors, you wish to proceed with PRS there are two pathways available:

1. If your result is only one or two marks off a grade 4 the HOD may recommend a review of marking (or other service including a Priority Access to Scripts, Service 3, where available) and the school will pay for a review of marking for one paper;
2. You can still apply for PRS and the school will do this on your behalf. In this case you must pay the awarding body fee plus a £10.00 EHS administration fee **per paper**. In this case there is a greater risk of moving down a grade as, if your mark is lowered, you may fall into the grade below.

In both cases, the consent form to request the services and to confirm that you are aware of the possible outcomes must be submitted and signed by the candidate it cannot be signed by parents or guardians. This form is available at the end of this document or from the Exams Officer and must be fully completed, signed, and returned before the deadline (see Page 6).

Review of Results Categories

SERVICE 1 - CLERICAL CHECK

This service includes the following checks:

That all parts of the script have been marked. The totalling of marks. The recording of marks. The application of any adjustments. The application of grade thresholds. The application of any special consideration, where applicable (indicate on form). The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit/component included in the enquiry. The target for completion is within 20 calendar days of the awarding body receiving the request.

SERVICE 2 – REVIEW OF MARKING

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of both unitised and linear specifications.

The deadline for completion is within 30 calendar days of the awarding body receiving the request. This service will include:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above.

Review of Results Fees and Deadlines

Post Results Services (PRS) are charged per unit e.g., if you request a Review of Results on both papers for a subject which has two papers then the fees will be multiplied by two. If you wish to apply, please return the signed consent form and fees to the school main reception in an envelope marked “Exams Office attention” by the deadline detailed below. Fees can be paid online. If you have paid online, please note this on your consent form.

- Online via a bank to “Enlighten Learning Trust”, sort code 30-94-77, Account No 65307968 reference “EHS4152 + your name”.

The following table shows the fees per unit/component, which include the awarding body’s fee and the Esher High School £10.00 administration fee.

CERTIFICATES

Certificates are received in school in early November. You will be notified by the school when they are ready to be collected via your school email. Certificates **will not** be posted.

JCQ regulations state that certificates should be kept for 12 months. If they remain uncollected, they may be disposed of securely.

Certificates are important documents. Most educational institutions and potential employers will ask to see your original certificates. If you lose or fail to collect your Certificates, you will need to obtain duplicates from the relevant Awarding Body. The Awarding Bodies no longer replicate certificates unless you can prove they were destroyed by theft, fire or flood; they will only issue a Statement of Achievement. Depending on the Awarding Body this currently costs over £50 per ‘Statement of Achievement’.

Produced on behalf of: AQA, CCEA, Edexcel, OCR and WJEC.

Notice to Centres

Unclaimed Certificates

The Awarding Bodies have agreed to implement a standard procedure for dealing with unclaimed certificates.

Centres may destroy any unclaimed certificates by a secure method (for example by shredding or incineration) after holding them for a period of 12 months from the date of issue. A record of all certificates destroyed by a centre should be kept for a further period of four years from the date of their destruction.

Any queries concerning the destruction or secure disposal of unclaimed certificates should be directed to the awarding body that issued the certificates.

Clerical re-checks and review of Marking – **SELF FUNDED**

Information for candidates

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school submits a request for a clerical re-check or a review of the original marking, and then a subsequent appeal for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you (the candidate) **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

To submit a review of marking you must:

- 1) **Fully complete** and sign the table below
- 2) Complete payment for the service selected as detailed on page 2.
- 3) Email the **fully completed** form **from your school email address** to:
prs@esherhigh.surrey.sch.uk or hand the fully completed form to reception by 9am on Friday 18th September.
